SIX MILE GAL.

Great Discoverers.

What Bell and Edison are to the telephone and electricity, says the Pittsburg News, Dr. Franklin Miles, the well-known specialist in nervous diseases, is to the nervous system and nerve fluid. Among his numerous discoveries the Restorative Nervine is undoubtedly one of the greatest. It is unsurpassed in nervousness, dyspepsia, headache, epilepsy, neuralgia, backache, melancholy, sleeplessness, change of life, etc. Free trial bottles of it may be had of J. W. Gayle, druggist. All should read his "New and Startling Facts for the Afflicted," a very able, interesting, and finely illustrated book. Free to all.

"Little Nugget."

The pleasing comedians, Herbert and Joe Cawthorne, and an excellent company, by far the best supporting company that has appeared at the Grand. The house was packed to suffocation, and nearly a thousand people were turned away; every seat was filled and every aisle and lobby packed to its utmost capacity. The play, "Little Nugget," is a conglomeration of fun, music, songs, dances, clever specialties, and witty sayings. The performance is one loud, long and hearty laugh. It is a mirth provoker, as one of the auditors last

night said: "You must laugh, you can't help it." There is a strong melodramatic flavor coupled with the fun. The closing scene of the second act, showing the bursting of the Milford dam, the rising of the waters and the floating away of the old mill with "Little Nugget" inside, is highly exciting, and is a well managed piece of stage work. The fun is fast and furious, clean, wholesome and bright. A word of praise is also due the excellent quartette, who rendered many pleasing selections. Messrs. Herbert and Joe Cawthorne as "Barney O'Brady" and "Jakey Kumpheer," Miss Susie Forrester as "Mrs. Simpkins," and Miss Gilmore as "Little Nugget," were given in a most satisfactory manner, as were the other supporting artists.—Pittsburg Leader (Correspondent.)

FINE ROOFING.

What People Have to say Relative to Manila Roofing.

To the Citizens of Frankfort and Franklin County:

I have just finished a job of this roofing for Lew Van Meter Bros., of over 600 squares of Manila Roofing, and also for W. H. Cassidy of over 150 squares, also a roof in Cynthiana for W. H. Wilson of over 400 squares which all of them claim it to be one of the best and cheapest roofs that has ever been in this country. It will pay any one in need of roofing to call on R. J. Cassidy, 248 West Third street, Lexington, Ky., and also see samples and guarantees for ten years on roofs given by W. H. Fay & Co., Camden, N. J.

Also any one needing ceiling or sheeting paper we will furnish it cheaper than any house in the United States, according to the quality of the goods. This goods has been in use over a quarter of a century in the United States. It has proven to give satisfaction beyond any doubt.

R. J. CASSIDY, Lexington, Ky.

CAMDEN, N. J., Oct. 13, 1890.

To the Residents of Frankfort and Vicinity:

This is to certify that we know all about R. J. Cassidy, his character, habits, etc., and hereby state over our own signature that we will carry out to the letter all contracts made by him for the use of our manilla goods. Call and see him; he has the facts to prove our claim.

W. H. FAY & CO., F. D. STAFFORD, Manager.

CAMDEN, N. J., Oct. 13, 1890.

R. J. CASSIDY, Esq., Lexington, Ky.: DEAR SIR—In answer to your request for an opinion of the merits of the "Fay Manilla Roofing Paper" we have to observe that our use of it for the past two years, on our lumber sheds (structures that call for good roofs), as well as the experience of old customers, to whom we have sold it extensively, has been eminently satisfactory, and we feel no hesitancy in recommending it.

Truly, SHIVERS & MOFFETT.

CAMDEN, N. J., Oct. 11, 1890.

Mr. R. J. CASSIDY: DEAR SIR—At your request for my opinion in regard to roof furnished by W. H. Fay & Co., Camden, N. J., I beg to say we have our depot covered by their roofing, and I take great pleasure in recommending it in every particular. I have had considerable experience in other roofing and I have no hesitation in saying it is a superior roofing. I own a house covered by this roofing, which, being perfectly flat, gave me considerable trouble. I first had it covered with tin, then with gravel and at last was compelled to put Fay Company roofing on it. I have had no trouble with the roof since, notwithstanding the fact that it was put on by an ordinary laborer, who had no experience in roofing.

Very truly yours, WILLIAM COFFIN, Agent.

I will wager from \$100 to \$1,000 that this roofing will outlast iron, tin or

shingles. This offer is open for 12 months.

Bridgeford Bros., Agents for Franklin county, and R. J. Cassidy will be responsible for any contracts they may make. R. J. CASSIDY.

If you suffer with bad digestion, constipation, nervousness, palpitation of the heart, etc., call on Dr. Rea, at the Capital Hotel, Saturday, Nov. 22, and get relieved. If he can not relieve you he will tell you so. A number of people have been relieved of the above symptoms in Frankfort and vicinity. Nov. 1-6m.

"Some lives are like Horse shoes the more worn the brighter."

Busy wives who use SAPOLIO never seem to grow old. Try a cake...

A complete wreck of domestic happiness has often resulted from badly washed dishes, from an unclean kitchen, or from trifles which seemed light as air. But by these things a man often judges of his wife's devotion to her family, and charges her with general neglect when he finds her careless in these particulars. Many a home owes a large part of its thrifty neatness and its consequent happiness to SAPOLIO.

Grocers often substitute cheaper goods for SAPOLIO, to make a better profit. Send back such articles, and insist on having just what you ordered.

An Ordinance.

Be it ordained by the Board of Councilmen of the City of Frankfort:

On the following streets, and parts of streets, in the City of Frankfort, be, and they are hereby, directed to cause the sidewalks in front of their respective lots to be paved with brick, curbed with stone in such manner, and of such width, and at such elevation or grade, as the Street Committee may direct:

On the south side of Second street, South Frankfort, from the line of Mrs. Chiles to Logan street; on the west side of Shelby street, South Frankfort, from the alley in front of Judge Craddock's residence, to Cross street; on the north side of Mero street, North Frankfort, between St. Clair and Wilkinson streets; on the north side of Clinton street, North Frankfort, from the line of the colored Baptist Church to the northeast corner of the property of James Sullivan; on the east side of Wilkinson street, North Frankfort, between Main and Broadway.

Sec. 2. That the owner or owners of lots fronting upon the following streets, and parts of streets, in the City of Frankfort, be, and they are hereby, directed and instructed to repair the pavements, curbing and gutters in front of their respective lots, in such manner as the Street Committee may direct:

On the south side of Broadway, North Frankfort, between Washington and Wilkinson streets; on the east side of St. Clair street, from Geo. Payne's line to the corner of Main, and from the corner of Main and St. Clair, on the north side of Main, to John Meagher's property; on the south side of Third street, South Frankfort, between Cross and Campbell streets.

Sec. 3. That the Street Committee be authorized, and are hereby, instructed to fix the width, elevation, and determine the manner in which sidewalks are to be graded, curbed and paved, and to determine the mode and manner in which the paving, curbing and guttering are to be repaired, as prescribed under the terms of this ordinance; and to have a suitable person to supervise the construction or repair of same.
